

RXAIDE

An AI-Powered Medication Reminder
& Management Assistant

WEEKLY UPDATE 5

Faculty Advisor

Dr. Mohammad Shifat-E-Rabbi

Presented By:

GROUP 2

AMINUL ISLAM

MD SHAHRIAR RAKIB RABBI

TIRTHO MOJUMDAR

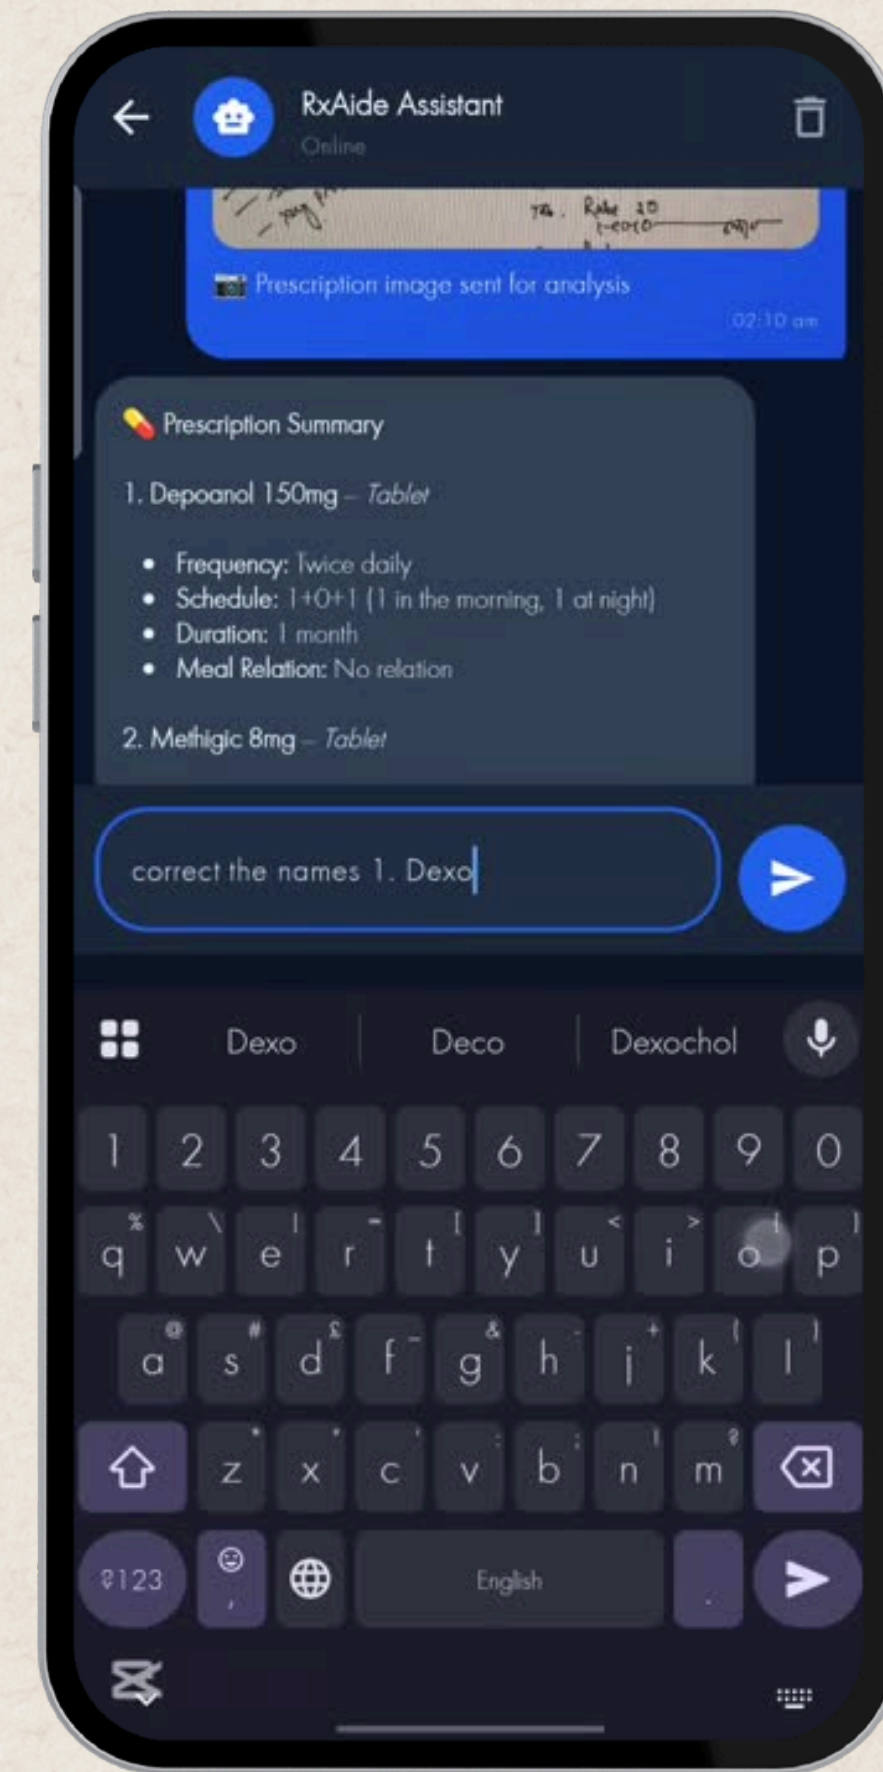

THIS WEEK'S FOCUS – POLISH & MODERNIZATION

What We Built:

- Modernized app navigation with sliding transitions and glassmorphism nav bar
- Polished the RxAide chat interface with branding, keyboard fixes, and image previews
- Streamlined medication management with inline editing and optional fields
- Stabilized the adherence tracker with dose backfill and compact card layout
- Updated iconography with custom medication form icons
